**\* Sat Maths PLR Video Package \***

**84 private label videos** to help students understand the various

subjects covered in the math section of the SAT.

[>> FREE For Gold Members Join Now! <<](#)

This **PLR video package** cost over \$8,400 to produce. You can pick up the licensing for a small fraction of that cost. But only for a limited time. For many parents and students, hiring a tutor is just not feasible from a budget perspective. Offering them a membership-based or pay per download video option will end up being much cheaper than math tutoring which can cost hundreds or thousands of dollars in many cases.
